On 12 August 2014, ExCo agreed to the allocation of £1m of extra funding to build a new solar farm for electricity generation on St Helena. The new funding has been identified specifically to support only renewable energy projects, and must be spent in this financial year, 2014/15. ExCo was very supportive of this proposal as solar generated electricity [...]

The St Helena Statistics Office has released new provisional estimates of the number of people on St Helena by age, sex, residency and nationality, and the number of births and deaths. At the end of August 2024 there were an estimated 4,046 people on the island, a decrease of 57 from the end of July, when there were an estimated 4,103. Of the ...

3. How much does it cost to maintain a solar system? Very little! Solar panels require minimal maintenance, usually just cleaning and occasional inspections, which might cost \$100-\$200 per year. 4. Do solar panels increase my home's value? Absolutely! Studies show that homes with solar systems sell for 4% more on average than those without. 5.

The company's comprehensive services, including solar panel installation, roofing solutions, and electric vehicle charging stations, are seen as a major advantage. Customers feel confident in AMECO Solar's 40-year warranty on all solar equipment, indicating a long-term investment in renewable energy. Negative Reviews:
