

Are tyres safe in Cayman Islands?

Cayman Islands Government regulations state that your tyres must be in good condition when they are checked at your annual car inspection. They also stipulate that you cannot alternate brands of tyres as this could cause your car to drive erratically.

What to do in Cayman if there is no sun?

Although Cayman enjoys over 300 days of sunshine, you will need to consider an alternative source of power should there be no sun. One such option is the Tesla Powerwall battery. These rechargeable lithium-ion batteries are wall mounted and can be stored either outside your home or inside your garage.

Where can I buy a car in Cayman?
