Mercenary Evolution. While the Wagner Group has emerged as Russia's premier PMC, Moscow's use of semi-state [41] security forces is far from novel. From Cossacks in the early 20th century to Chechen warlord Ramzan Kadyrov's "Kadyrovites," Russia has relied on various paramilitary-style forces both within and outside its territorial boundaries for decades.

UNITED NATIONS, Aug 30 (IPS) - Since June of this year, Chad has been facing an elongated period of heavy rainfall. Major flooding has triggered the onset of a significant humanitarian crisis, as all aspects of Chadian life, including health, food production, and community, have been negatively impacted. Additionally, response plans are severely compromised due to high levels ...

The political situation in Chad is off-balance and unsure right now. A military government has ruled the country since April 2021, when a group of senior military officers seized power in a coup d'état following the death of 30-year president Idriss Déby Itno.
