

Will Elite solar build a solar manufacturing hub in Egypt?

EliTe Solar,a global manufacturer of PV cells and modules,has unveiled plans for a solar manufacturing hub in Egypt. The company announced the investment venture,worth over \$150 million,following discussions with Egypt's Prime Minister,the Chairman of the Suez Special Economic Zone,and the Chairman of Chinese conglomerate TEDA.

Where is Elite solar based?

The new facility will join EliTe Solar's existing manufacturing bases in Indonesia and Vietnam. EliTe Solar chairman Derek Liu stated: "This venture will position Egyptas a central hub for photovoltaic manufacturing in the Middle East and North Africa.

Why should you invest in Elite solar in Egypt?

The strategic location within the Suez Special Economic Zone provides advantageous access to several markets,including North America,Europe and Africa. EliTe Solar's new development in Egypt will create thousands of local jobs and substantially elevate the country's export capabilities.
