On a fully charged battery, the unit can be used to provide lighting during power failures or if you consider travelling, camping or plan other outdoor activities, then this kit is an ideal solution in lighting emergencies. It can also be used as a portable backup power / charger for your mobile, camera, DV, MP3,MP4, PSP iPod ...

Ellies had hoped to pivot into the home solar market, but lacked the working capital to do so at scale. Speaking to TechCentral this week, Prithivirajh said the decision by Ellies" lenders not to support the acquisition of Bundu Power dealt a fatal blow to the group"s turnaround plan. The acquisition would have allowed Ellies to lessen its ...
