

Who is Namibia Energy Corporation?

Namibia Energy Corporation (NEC) is a dynamic global oil and gas industry player founded by the renowned Brazilian geologist Dr. Marcio Rocha Mello, PhD. Committed to innovation and excellence, NEC is dedicated to responsibly explore Namibia's oil resources, focusing on skill and technology transfer to enhance local capabilities.

Who is Cleanergy Solutions Namibia?

This collaboration between two solid family-owned companies stems from a shared vision to deliver a remarkable and impactful project in Namibia. Cleanergy Solutions Namibia is leading the development of a green hydrogen production plant in Namibia's Erongo region.

Who is NamPower?

NamPower, Namibia's national power utility, was born out of the then South West Africa Water and Electricity Corporation (SWAWEK). SWAWEK was formed on 19 December 1964 as a private and fully affiliated company of the Industrial Development Corporation (IDC) of the Republic of South Africa.

Who is NamPower & swawek?

In July 1996, SWAWEK became NamPower. NamPower, Namibia's national power utility, has for decades been a mainstay of the nation's economy and is now positioned, in a free, independent and stable Namibia, to be a main driver of Vision 2030, Namibia's blueprint for broad-based, sustainable economic growth.

Where does NamPower supply bulk electricity?

NamPower supplies bulk electricity to Regional Electricity Distributors (REDs), Mines, Farms and Local Authorities (where REDs are not operational) throughout Namibia.

Who regulates NamPower?

As a state-owned enterprise, NamPower reports to the Ministry of Mines and Energy and is regulated by the Electricity Control Board. The utility is registered as a company and thus operates according to the Companies Act, under the guidance and direction of a Board of Directors. To be the leading electricity solutions provider of choice in SADC.
