

What is the Moroccan Agency for Solar Energy (MASEN)?

In 2010, the Moroccan Agency for Solar Energy (MASEN), a public-private venture, was set up specifically to implement these projects. Its mandate is to implement the overall project and to coordinate and to supervise other activities related to this initiative.

Why is Morocco launching a solar energy plan?

Morocco has launched one of the world's largest and most ambitious solar energy plan with investment of USD 9 billion. The Moroccan Solar Plan is regarded as a milestone on the country's path towards a secure and sustainable energy supply.

When will Morocco's solar project be completed?

The first plant, under the Moroccan Solar Plan, will be commissioned in 2014, and the entire project is expected to be complete in 2019. Once completed, the solar project is expected to provide almost one-fifth of Morocco's annual electricity generation.

Where does Morocco's energy come from?

Much of that imported energy is generated from fossil fuels. Morocco relies particularly heavily on coal power, which it is expanding along with renewables, and around 40% of electricity in the country comes from coal.

What is Morocco's largest solar power plant?

Morocco also built the Noor-Ouarzazate complex, the world's largest concentrated solar power plant, an enormous array of curved mirrors spread over 3,000 hectares (11.6 sq miles) which concentrate the Sun's rays towards tubes of fluid, with the hot liquid then used to produce power.

Does Morocco need solar power?

And even as it seeks to end its dependence on fossil fuels, its energy demands are rising fast. Despite these challenges, Morocco has a huge natural potential to produce solar, wind and hydropower, and has taken significant steps to realise it.

Closure of the FiT scheme. The scheme was closed as of 1 April 2019 in the UK. Instead, you may be able to apply for the Smart Export Guarantee (SEG) if you have solar panels on your property.. You'll be paid for exporting any excess renewable energy back to the grid assuming that you're eligible.
