

Who owns the Falklands?

As a British overseas territory, the Falklands have internal self-governance, but the United Kingdom takes responsibility for their defence and foreign affairs. The capital and largest settlement is Stanley on East Falkland. The islands are believed to have been uninhabited prior to European discovery in the 17th century.

Where is the Falkland Islands located?

The Falkland Islands (/ˈfː (l) klʔnd, ˈfʔlk -/FAW (L)K-lʔnd, FOLK-; [6] Spanish: Islas Malvinas [ˈislas malˈʔinas]) is an archipelago in the South Atlantic Ocean on the Patagonian Shelf.

Why is the Falkland Islands a good place to work?

A little over a quarter of the workforce serves the Falkland Islands government, making it the archipelago's largest employer. [143] Tourism, part of the service economy, has been spurred by increased interest in Antarctic exploration and the creation of direct air links with the United Kingdom and South America. [144]

Are Falkland Islanders British?

Immigration from the United Kingdom, the South Atlantic island of Saint Helena, and Chile has reversed a population decline. The predominant (and official) language is English. Under the British Nationality (Falkland Islands) Act 1983, Falkland Islanders are British citizens.

Are the Falkland Islands self governing?

The Falkland Islands are a self-governing British Overseas Territory. [73] Under the 2009 Constitution, the islands have full internal self-government; the UK is responsible for foreign affairs, retaining the power "to protect UK interests and to ensure the overall good governance of the territory". [74]

Why are the Falklands called 'Falklands'?

The term "Falklands" is a standard abbreviation used to refer to the islands. The common Spanish name for the archipelago, Islas Malvinas, derives from the French Îles Malouines--the name given to the islands by French explorer Louis-Antoine de Bougainville in 1764. [12]

As India continues to cope with the fallout of the COVID-19 pandemic, popular consensus is building around a green recovery stimulus, which includes green public investment and the adoption of clean technology or "cleantech" to ensure sustainable and inclusive growth.
