for "an improved quality of life for the people of the Marshall Islands through clean, reliable, affordable, accessible, environmentally appropriate and sustainable energy services." This energy mandate is consistent with "Vision 2018", the Marshall Islands Strategic Economic Development Plan for 2003-2018.

It also develops wind energy projects such as Kouga Wind Farm, De Beers, and Gibson Bay Wind Farm. Red Cap Energy develops projects in partnership with landowners, the local community, environmental groups, and public stakeholders. The company has its operations in Port Elizabeth Cape Town, South Africa.

The Majuro Fuel Tank Refurbishment project, funded in part by both Marshalls Energy Company and the Asian Development Bank, is well underway. For many Majuro residents, the glimpses they can see driving by the MEC power plant and tank farm include a 180-foot tall boom crawler crane and scaffolding surrounding three tanks currently being worked on.
