Kendra Energy Solutions is located in Bourne End, Buckinghamshire, United Kingdom. Who are Kendra Energy Solutions 's competitors? Alternatives and possible competitors to Kendra Energy Solutions may include BG Energy Solutions, SG360, and Gruppo Fervo .

In support of Kenera's strategy to expand in renewable energy markets, this 10-year partnership brings together CPH2's Membrane-Free Electrolyser(TM) technology and Kenera's industry-leading manufacturing capabilities to supply hydrogen electrolyzers across Europe and provides Kenera with an exclusive technology licence across the Middle ...

The award will see Kenera custom-build a 10.3 Megawatt Hour (MWh) BESS that will optimise energy efficiency at Urenco's facility in Gronau, Germany, supporting a reduction in energy costs and carbon emissions. Urenco will utilise the system to help store electrical energy from an integrated solar farm at the plant to enable that power to be ...

About Kenera. Kenera is a business unit within leading drilling, engineering and technology company KCA Deutag. It expands the group's offering in hydrocarbon and energy transition markets and consolidates the skills, competencies and experience of the existing KCA Deutag group with those of Bentec - its land rig and oilfield equipment manufacturer, and RDS - its UK ...

We are creating efficiencies through technology and engineering to develop applications for oil & gas, emissions reduction, green fuel and clean energy. Our multi-disciplinary technology & engineering division seamlessly integrates into ...

Kendra purchased carbon credits that will be invested in a 195 MW hydro electric power plant project in

Indonesia, located on the Pos River. The hydropower is a renewable source of energy and will displace the fossil fuel fired power generation on the regional grid. Why did we ...

Kendra Energy Solutions recently opened their new Scottish Regional Offices in Glasgow to support our continued growth and the increasing UK market demand for Intelligent Building Energy Management Systems installation and support services. Raymond Timoney has recently joined the team, as Regional Account Manager, Scotland. ...

But before we rush out and purchase green energy, we must complete that first, crucial step to achieving a net zero building: maximising our energy efficiency. ... PROActiv Business Development Manager, Kendra Energy Solutions. Case ...

Kenera has been formed as the platform from which the KCA Deutag Group shall grow its offering within hydrocarbon and energy transition markets and is a significant investor in CPH2. Highlights: Pursuant to the terms ...

Kenera has been awarded a contract to deliver five top drive systems to a Saudi Arabian drilling contractor for new build rigs which will operate at a major Unconventional gas project in Saudi Arabia. ... Positioned to support decarbonisation, Kenera also offers solutions across the energy transition including carbon emissions management, green ...

Rebecca Clarke, SVP Kenera, (KCA Deutag's technology and energy transition business), gives her thoughts and insights. It's my belief that women encounter numerous hurdles in the energy sector, particularly in achieving senior and technical roles where they are currently underrepresented, with only 32%^[1] of middle management roles held by ...
