

Does matrix Energia have a green bond?

Brazilian certification service Attest ESG confirmed that the company's green bond is in order with the Guide for Sustainable Bond Offerings set by ANBIMA, the country's financial trade body. Matrix Energia claims to be the market leader for large-scale, community focused energy storage systems.

How did Bouvet Island become a dependency?

The expedition carried out aerial photography of the island and was the first Antarctic expedition to use aircraft. : 64 The Dependency Act, passed by the Parliament of Norway on 27 February 1930, established Bouvet Island as a Norwegian dependency, along with Peter I Island and Queen Maud Land.

Are there humans on Bouvet Island?

In 1971, Norway declared the island a protected nature reserve. Today, there is virtually no sign of human activity at Bouvet, with the exception of a single weather station located at Nyrøysa. This is the most common landing point on the island created by a rockslide in the 1950s. Penguins are the most apparent life on the island.

Matrix Group specializes in physical trading and logistics, with supply and trading as the cornerstone of our business operations. We proudly stand as one of Nigeria's largest independent petroleum product traders, handling nearly 3 million metric tonnes annually.
