

What is the warranty period for a StarPlus 12V 220ah battery?

Warranty period is 12 monthsStarplus 12v 220ah tubular batteries are specially designed to be used with home and industrial inverters where traditionally flooded tubular batteries are typically used. Most inverters have chargers with high-ripple content that cause the shedding of active materials in the battery plate.

Are StarPlus batteries eco-friendly?

Starplus batteries are eco-friendlyand are capable of being completely recycled,thereby minimizing wastage,and living up to their responsibility towards the environment. We use the quality material with advanced technology to give the best to all our customers.

What is a long lasting tubular battery?

A long lasting tubular battery is a lead-acid battery designed to have a longer lifespan than regular lead-acid batteries. These batteries are commonly in use in applications where it requires a reliable and long-lasting power source,e.g.,backup power systems,solar power systems,and inverter systems.

Who is the best tubular inverter battery manufacturer in Nigeria?

Starplus Batteriesis the top and best tubular inverter battery manufacturer company in Nigeria. We are the best battery suppliers in Nigeria. The Starplus Research and Development team is always researching how to make inverter batteries better and more reliable.

What are heavy duty tall tubular batteries in Nigeria?

The heavy duty tall tubular batteries in Nigeria have an ultra-low rate self-discharge systemand designed cycle life C10 discharge. Heavy duty tall tubular batteries can deliver high currents and have a longer lifespan than other types of batteries.

What is a tubular inverter battery?

Tubular inverter batteries are also the best for applications that require high power. A tubular inverter battery is made to last very long. It has a longer duration of service when compared to a flat plate and gel batteries. They are also more durable and give the longest warranty period to customers.

STAR PLUS BATTERY - LIGHTING UP NIGERIA'S FUTURE. The tubular inverter batteries feature a high backup solution, low maintenance needs, ... Star Plus Tubular Inverter Batteries: Special Features and Qualities. Model No. Box Type: Ah Capacity: Length: Width: Height: Total Warranty: SP22000 XB: IT500: 220: 505: 190: 410:

Metal Manufacturing Nigeria Limited set off it's journey with led production back in 2010. After a Decade, MMNL has ventured into production of Star Plus Tubular Battery. Star Plus is a Truly Designed & Made in Nigeria Product providing thousands of employment opportunities (direct & indirect); thereby contributing to

the nation's economy.

****STAR PLUS** offers long-lasting inverter tubular battery. **STAR PLUS** tubular inverter battery come in different capacities ranging from 130AH to 240AH. These inverter batteries not only last long but are incredibly powerful too. The warranty ranges from 36 (18+18) months to 60 (36+24) months.**** **STAR PLUS** Inverter batteries are specially designed to be used with home and ...

In Nigeria, where the reliability of the power grid remains uncertain, possessing a dependable power backup is crucial. Now, if you are looking for an inverter battery solution, Star Plus inverter batteries can be the perfect choice for you. Star Plus Battery is a leading inverter battery manufacturer in Nigeria.

Star Plus Batteries has developed manufacturing processes that reduce the cost of production and increase efficiency, making these batteries more affordable for consumers. Additionally, the rising demand for renewable ...

Star Plus Batteries - The best place to buy solar batteries is in Nigeria. The number one place to buy batteries in Nigeria is with us. ... Starplus Batteries is a brand of MMNL, the best Nigerian manufacturer and supplier of automotive and tubular batteries. We are an ISO 9001:2015 certified company located in Gbara Village, Ogun State, since ...

On average, Star Plus tubular batteries only lose 12% to 15% of charge in a month when not in use. Apart from that, we offer a 24-month warranty on all of our batteries. So, if you are seeking a reliable inverter battery, don't miss out on the advantageous features of Star Plus batteries to meet all your power backup needs.
