Company profile for Storage System manufacturer DNK Power Company Limited - showing the company's contact details and products manufactured. ENF Solar. ... DNK Power Company Limited 1103, Block A, Huihai Plaza, Heping Road, ...

Lithium Ion has the highest power density of any rechargeable battery chemistry. It is lightweight and offers great cycle life even more than 500 which makes it the ideal product for many new design solutions.. DNK has the capability to custom design a Lithium Ion battery pack to fit your product's specific needs. From small single-cell packs to large battery packs, DNK can design ...

Ever since DNK's establishment in 2007, DNK Power has made its dedication to be the leader in manufacturing Li-ion, Lipo, NiMH battery packs and chargers. Our main products include digital camera battery, camcorder battery, notebook battery, high ...

Industrial Battery Pack Manufacturer. DNK Power is one of China's main player of Industrial rechargeable battery pack products, Our main products is lithium ion polymer battery, lithium battery, Rechargeable 18650 battery and lifepo4 ...

Custom Medical Battery Packs Our Vision: Provide world-class Lithium battery pack for customers world-widely DNK Mission: to become an internationally renowned supplier of Rechargeable Lithium ion Battery. Company values: integrity and pragmatic, responsibility DNK Power offers Custom Medical Lithium Battery

Product manager at DNK POWER · always here for your cooperation, if you need battery, contact us.

Product Specifications At DNK Power, we provide services for all kinds of lithium ion battery packs for all
your industrial businesses and equipment applications, Our intensive and rigid material selection, production,
and QC testing ensures that all of the lithium ion battery pack are assembled to meet or exceed customer
expectations. Since any digital equipment are the

Industrial Battery Pack Manufacturer. DNK Power is one of China's main player of Industrial rechargeable
battery pack products, Our main products is lithium ion polymer battery, lithium battery, Rechargeable 18650
battery and lifepo4 rechargeable batteries. The company, established in 2007, has 10 years experiences of
manufacturing Industrial battery products.

DNK Power is one of China's main player of solar rechargeable battery pack products, Our main products is
lithium ion polymer battery, lithium battery, Rechargeable 18650 battery and lifepo4 rechargeable
batteries. The company, established in 2007, has 10 years experiences of manufacturing lithium battery
products.

36V Lithium Battery Pack. DNK Power is a custom Rechargeable 36v lithium (lipolymer, lifepo4, li-ion)
battery manufacturer based in China, We have In stock small and compact 36V lithium battery pack, capacity
from 50ah, 100ah, 60ah, 15000mah, 150ah and etc., with PVC or Plastic casing, they are widely used for RV
power supply, Outdoor Camping Power Supply, Sightseeing car, ...

DNK Power is one of China's main player of solar rechargeable battery pack products, Our main products is
lithium ion polymer battery, lithium battery, Rechargeable 18650 battery and lifepo4 rechargeable batteries.
The company, ...

DNK Power manufactures custom rechargeable Li-ion battery, Lithium polymer, and LifePo4 battery packs.
Has more than 25 battery types in its product portfolio with applications in medical devices, solar systems,
power tools, electric bikes, and other fields.
