

What types of outdoor electrical enclosures are available?

Our offerings include powder-coated galvanized steel, stainless steel, and marine-grade aluminium outdoor telecom, electrical or ESS battery storage enclosures. We supply outdoor electrical enclosures and electrical cabinets for low-voltage switchgear and controlgear assemblies.

Who is Doho electrical enclosure cabinet manufacturer?

DOHO is an electrical enclosure cabinet manufacturer with over 10 years of experience in manufacturing electrical enclosures for industrial and commercial use. We offer a range of services including custom design, fabrication, installation, and maintenance for all your electrical needs.

What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.

Are outdoor enclosures UL & IEC certified?

Our outdoor enclosure solutions are designed to meet strict certifications outlined by the UL and IEC standards. It's our commitment to providing customers with reliable products that they can trust to protect their equipment against harsh weather conditions like wind storms and electrical surges.
