

Energy24 is a portable home solar generator that can be purchased outright or through the first of its kind in the region, prepaid PAYG (Pay-As-You-Go) program. With this technology, DigitalKap will bring clean, safe and affordable solar energy to 3 million people in Haiti by 2022.

Portable Generators Portable generators are all about mobility. They deliver electricity in remote areas unplugged from the electrical grid. Larger portable generators - surrounded by a protective steel frame - are commonly seen in the back of pickup trucks headed to the next construction site or outdoor event.
