The full transition to the Thornova Solar brand will be definitive and smooth. In the coming months, you will see that our two brands --Sunova Solar and Thornova Solar-- will co-exist in our corporate communications as a reminder of our origins, an expression of our development, and a confirmation of our commitments to our customers.

To standardise its branding globally, Sunova has decided to unite with its sister brand Thornova Solar that is based on the Norse pantheon hero Thor, representing perfectly the company values and is hence a valued namesake.

Each factory of Thornova adopts fully automated production lines with the same equipment as Tier 1 suppliers. In manufacturing, we run triple EL (Electroluminescence) testing to better check each panel's hidden micro-crack. Every Thornova panel passes VDE test, Triple IEC test, Ammonia test, Sandblast, UV test, and PID test.
