

We had Sam and his team install solar on our house in Waterside. I got a few quotes for the solar install and Sam was the most competitive. The other great thing is I had a lot of questions about the system prior to committing and Sam took the time to talk to me about the different types of systems and what was the best fit for purpose system for the house. The team did an amazing ...

Saint Martin's Island being a location with excellent solar energy prospect has attracted multiple researchers' interest to solve the electricity problem of the island utilizing solar power. But all of them focused PV-hybrid configuration (Mazumder et al., 2014 ; Rashid et al., 2017 ; Roy & Rhaman, 2016 ; Ullah, 2013).
