

For more than 4 decades, Secodi has been providing power solutions and services to agricultural, construction, generator and special machines throughout France. More recently it has expanded internationally in Spain, Finland and Estonia, and through sister companies Power TK ([link](#)) in Turkey and Seco Power ([link](#)).

Te Aponga Uira is the electricity generator, distributor and retailer supplying electricity to the island of Rarotonga in the Cook Islands. With around 50 staff, and around 6000 customers, our vision is to empower the community through sustainable and innovative energy solutions.

Secodi Power Systems has an experienced applications team with a deep understanding of the engine and its operating conditions. They support machine manufacturers in engine integration to maximise engine performance, efficiency and reliability.

The Te Aponga Uira (TAU) Board has gained a strong new asset with the appointment of Barbara Elliston, an experienced electrical engineer and corporate governance professional, effective from 1 November by the ...

In its approach to delivering a 100% renewable energy target across 12 islands by 2020, the Cook Islands presents a rare insight into how planning requirements of high penetration renewable island systems vary with scale.

The Te Aponga Uira (TAU) Board has gained a strong new asset with the appointment of Barbara Elliston, an experienced electrical engineer and corporate governance professional, effective from 1 November by the Cook Islands Investment Corporation (CIIC) ...
