Slovenia state-owned utility Dravske elektrarne Maribor (DEM) is planning two battery storage units totalling 60MW co-located with an existing hydroelectric unit, as well as a new pumped hydro energy storage (PHES) plant.

Slovenia has one pumped storage plant, Avce, with 180 MW in production mode and 185 MW in pumping mode. A study showed there are nine potential locations for pumped storage units on the river Drava with 45 MW to 300 MW in ...

A few grid-scale battery storage projects are already underway in Slovenia, including two units totalling 60MW co-located with a run-of-river hydroelectric plant, as well as a new pumped hydro energy storage (PHES) ...

The European Commission (EC) on Friday approved, under EU state aid rules, a EUR-150-million (USD 161m) scheme in Slovenia that aims to support the expansion of renewable energy, heat and energy storage.

State-owned utility and power generator HSE is targeting 800MW of flexibility assets across Slovenia by 2035, including pumped hydro energy storage (PHES) and battery energy storage systems (BESS).

Slovenia has one pumped storage plant, Avce, with 180 MW in production mode and 185 MW in pumping mode. A study showed there are nine potential locations for pumped storage units on the river Drava with 45 MW to ...

Slovenia becomes first Balkan state to install grid-scale Tesla ESS . NGEN, a developer based in Slovenia, has celebrated the installation of a 22MWh grid-scale battery energy storage system (ESS) supplied by Tesla in what is thought to be the product"'s first deployment in the Balkans.

A few grid-scale battery storage projects are already underway in Slovenia, including two units totalling 60MW co-located with a run-of-river hydroelectric plant, as well as a new pumped hydro energy storage (PHES) system from utility DEM.

Battery storage systems at substations Okroglo and Pekre in Slovenia have started trial operations within a joint endeavor with Croatia. The two units have 5 MW each and a storage time of five hours, translating to 50 MWh in total.
