We have affordable solar panel systems that can save you money starting this month and by using the savings to add more panels to the system you will eventually reduce your bill to almost nothing. Yes. Its true. Start out with our 3 ...

We have affordable solar panel systems that can save you money starting this month and by using the savings to add more panels to the system you will eventually reduce your bill to almost nothing. Yes. Its true. Start out with our 3 panel, 750W system for \$2,400, save \$36 per month.

Costa Rica's recent approval of a bill allowing individuals to produce and sell their own renewable electricity opens up new possibilities for the expansion of solar panels. The market for solar panels in Costa Rica is currently dominated by Asian brands, posing a challenge for U.S. companies.

Costa Rica Solar Solutions provides a true, turnkey solar experience utilizing in-house experts to design, engineer, construct, and monitor each solar system we build. You can be 100% confident when choosing Costa Rica Solar Solutions as your solar designer and installer.

Avolta Energy is a leading company in solar energy solutions focused on business and industrial clients in Costa Rica and other countries in the region. We specialize in the design, installation and commissioning of photovoltaic solar systems adapted to the business model and the form of electricity consumption of each company.
