The Northern Mariana Islands, officially the Commonwealth of the Northern Mariana Islands (CNMI), [a] [11] is an unincorporated territory and commonwealth of the United States consisting of 14 islands in the northwestern Pacific Ocean. [12] The CNMI includes the 14 northernmost islands in the Mariana Archipelago; the southernmost island, Guam is a U.S. territory.

SUMEC Energy is a global and comprehensive clean energy solution provider. SUMEC Energy is committed to providing customers with one-stop energy solutions including energy supply, energy management, energy conservation and energy storage.

The solar power project, located in San Miguel, Bulacan, is SUMEC's second large-scale ground-based photovoltaic power station project in the Philippines. After grid-connected operation, the plant's actual maximum generating capacity reaches 60 MW per hour, exceeding the planned power output.
